

“The adventures of Tom Sawyer”

6AE

1. Adventures that are on TV are usually made for serials, films or programs, but some of them could happen in real life. I have adventures at school or home, sometimes even on street, or at the weekend with friends.

I'm afraid of the future.

I don't like cats.

A lot of things can make me sad, for example sad files or sad songs.

I'm surprised when something that I didn't expect happens.

2. Aunt - family Church - Sunday

Fence - guard Cemetery - dead

Medicine - sick Paint - picture

Trial - police

3. The man is going to kill the animal with his knife.

She's unhappy because she tore her new dress

He likes to help his mother with her work.

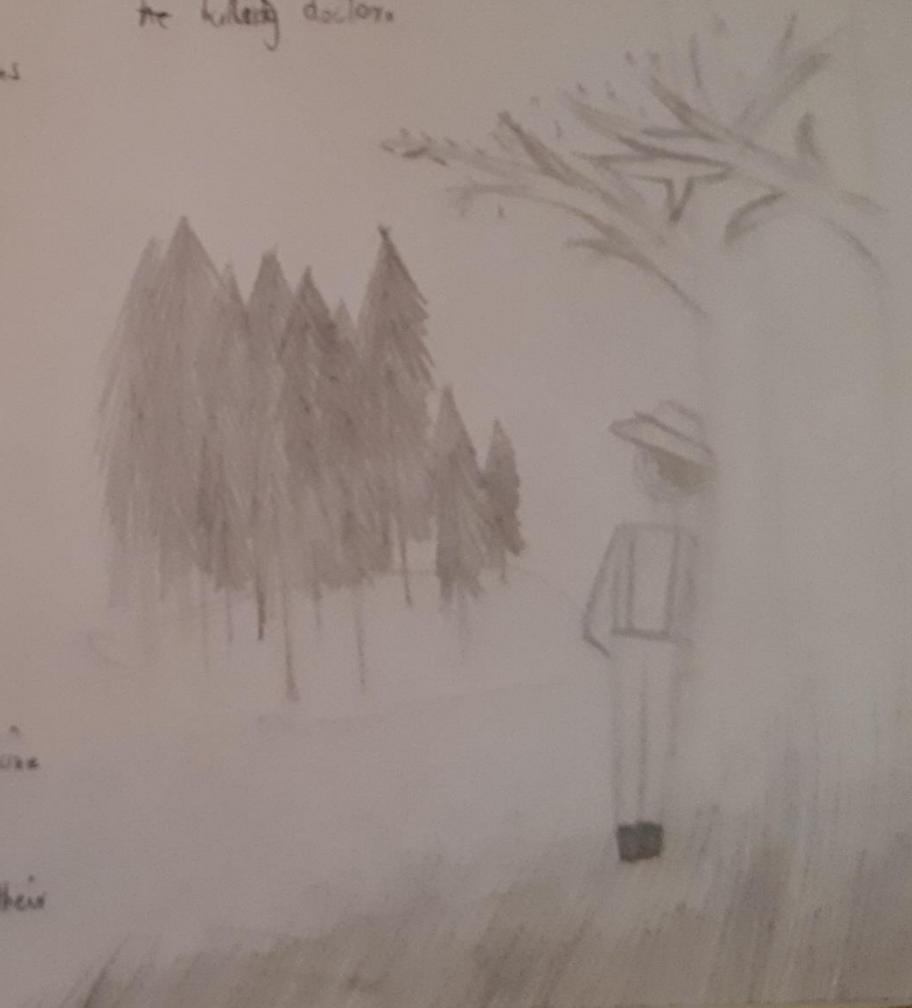

4. Aunt Polly is angry with Tom because he gave medicine to the cat.

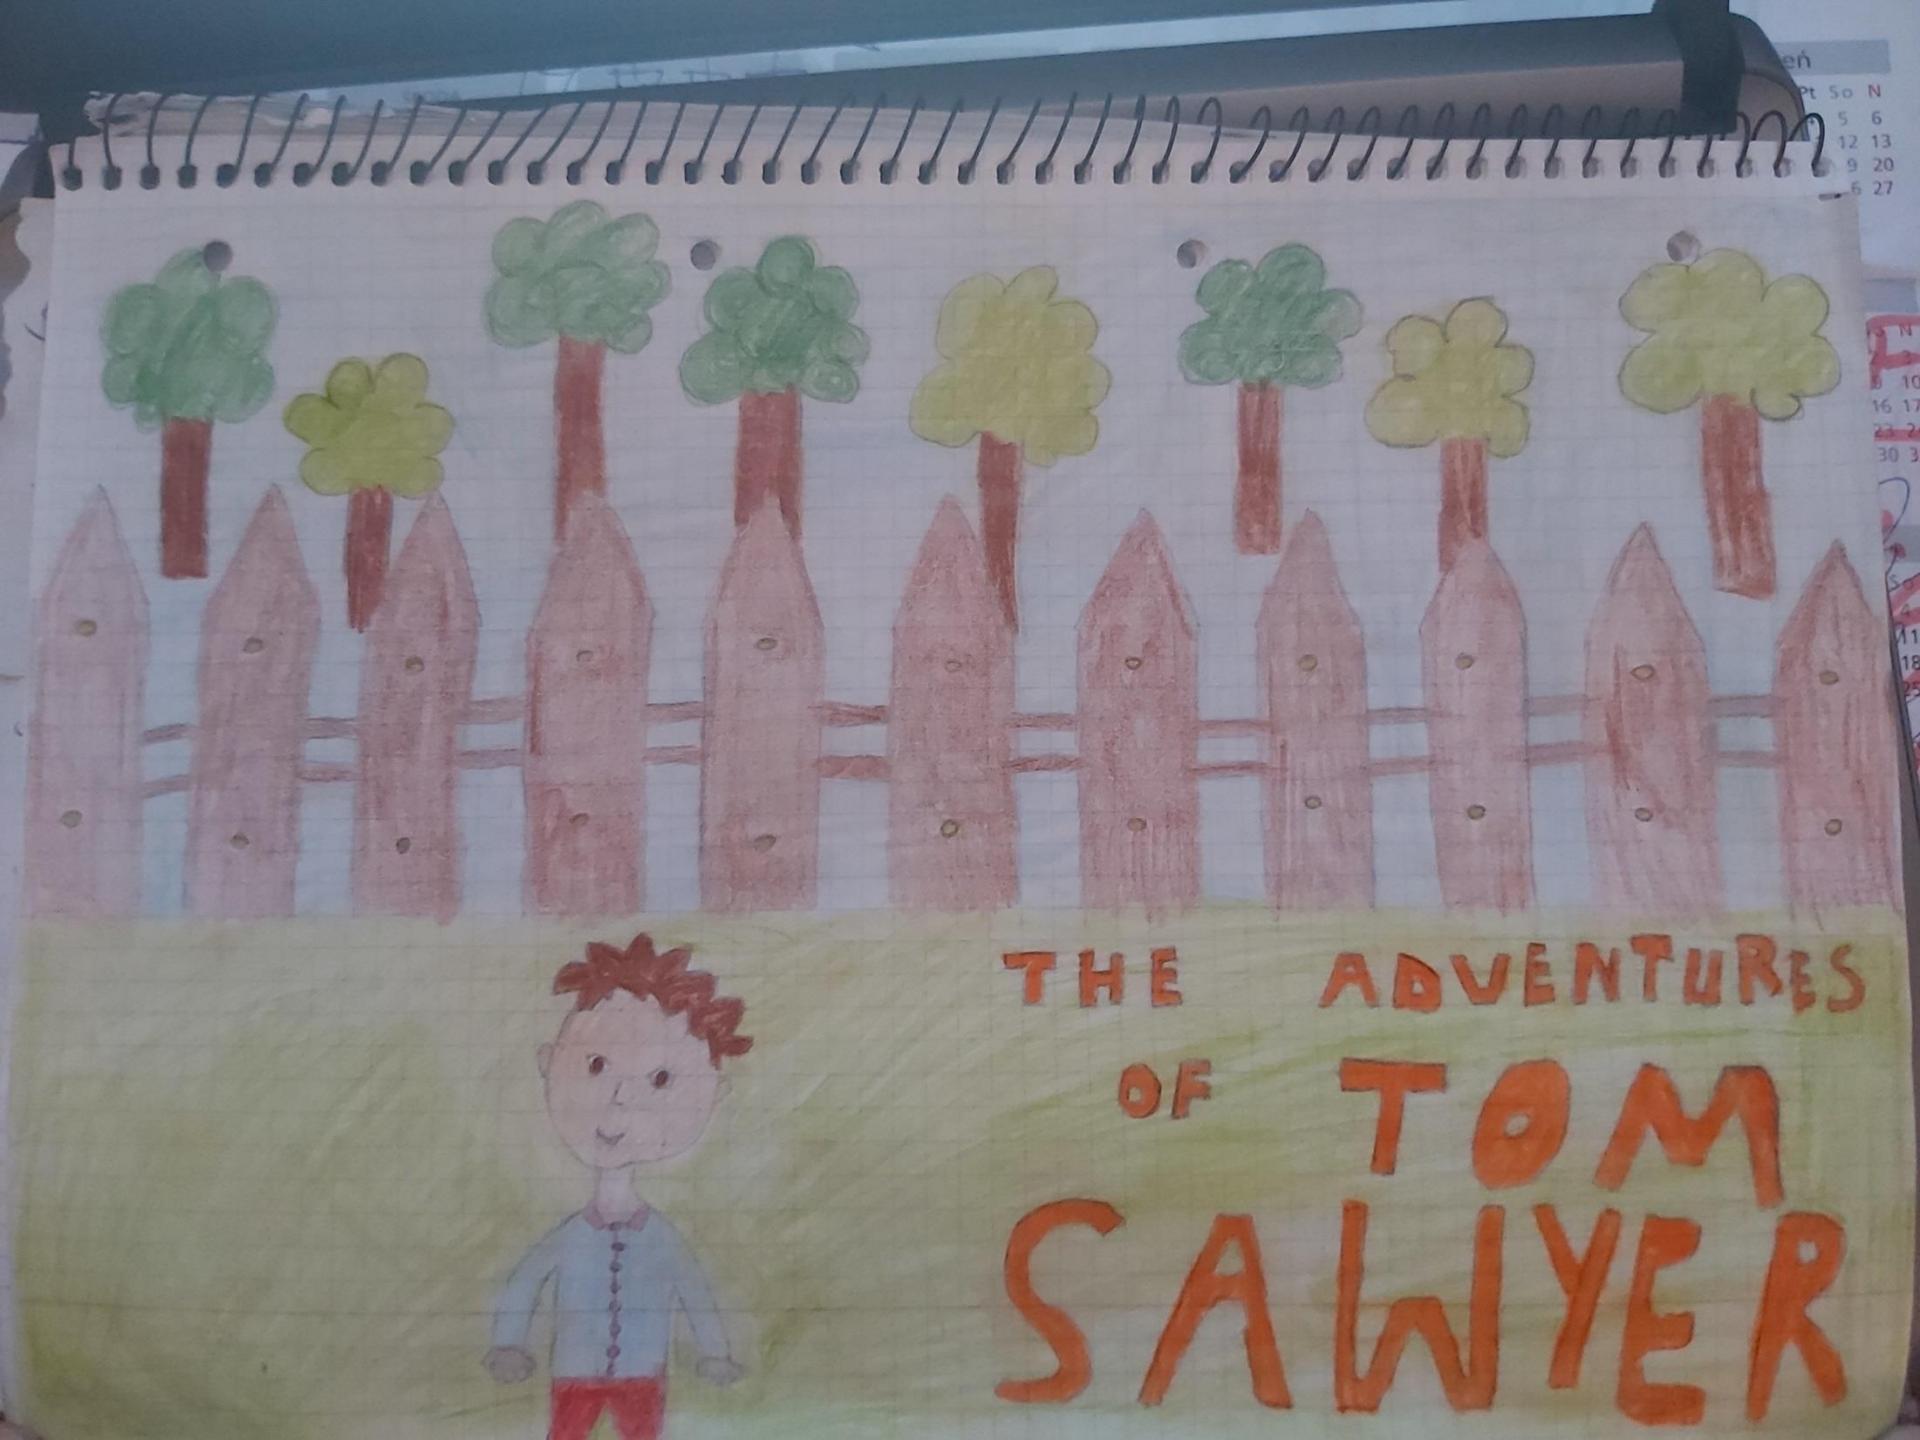

They want to run away because they are angry with their

care givers.

Becky doesn't talk to Tom because she's jealous of Amy. Tom and Huck want to help Muff Potter because they know that he's innocent.

They're afraid of Injun Joe because they told everyone that he's ^{have seen him} killing doctor.

The picture shows a fragment of a book when Tom
got a punishment from Aunt Polly.
He had to paint the fence in the yard.

Tom went out
of the cave.

my favourite part of the book
is when Tom and Becky find
the door and go out of the
cave. Then they go to the river
and ask men to take them
home in their boat. The men
agree. Becky and Tom arrive
home late at night. Everybody
is surprised and very happy.

1. Tom and Huck will probably see Injun Joe again.
2. I can buy a lot of things, for example shoes.
3. It's dark in a cave.

4. When teacher puts a cross on an airwear it's wrong.

5. I can dig with knife.

6. My treasures are my memories.

7. Tom and Becky were in a cave for 3 days.

8. The door was putted at the entrance to make everyone safe,
and stay away from there.

9. Huck is a new person because he lives with Mrs. Douglass.

10. Injun Joe finds a treasure box in an old house.

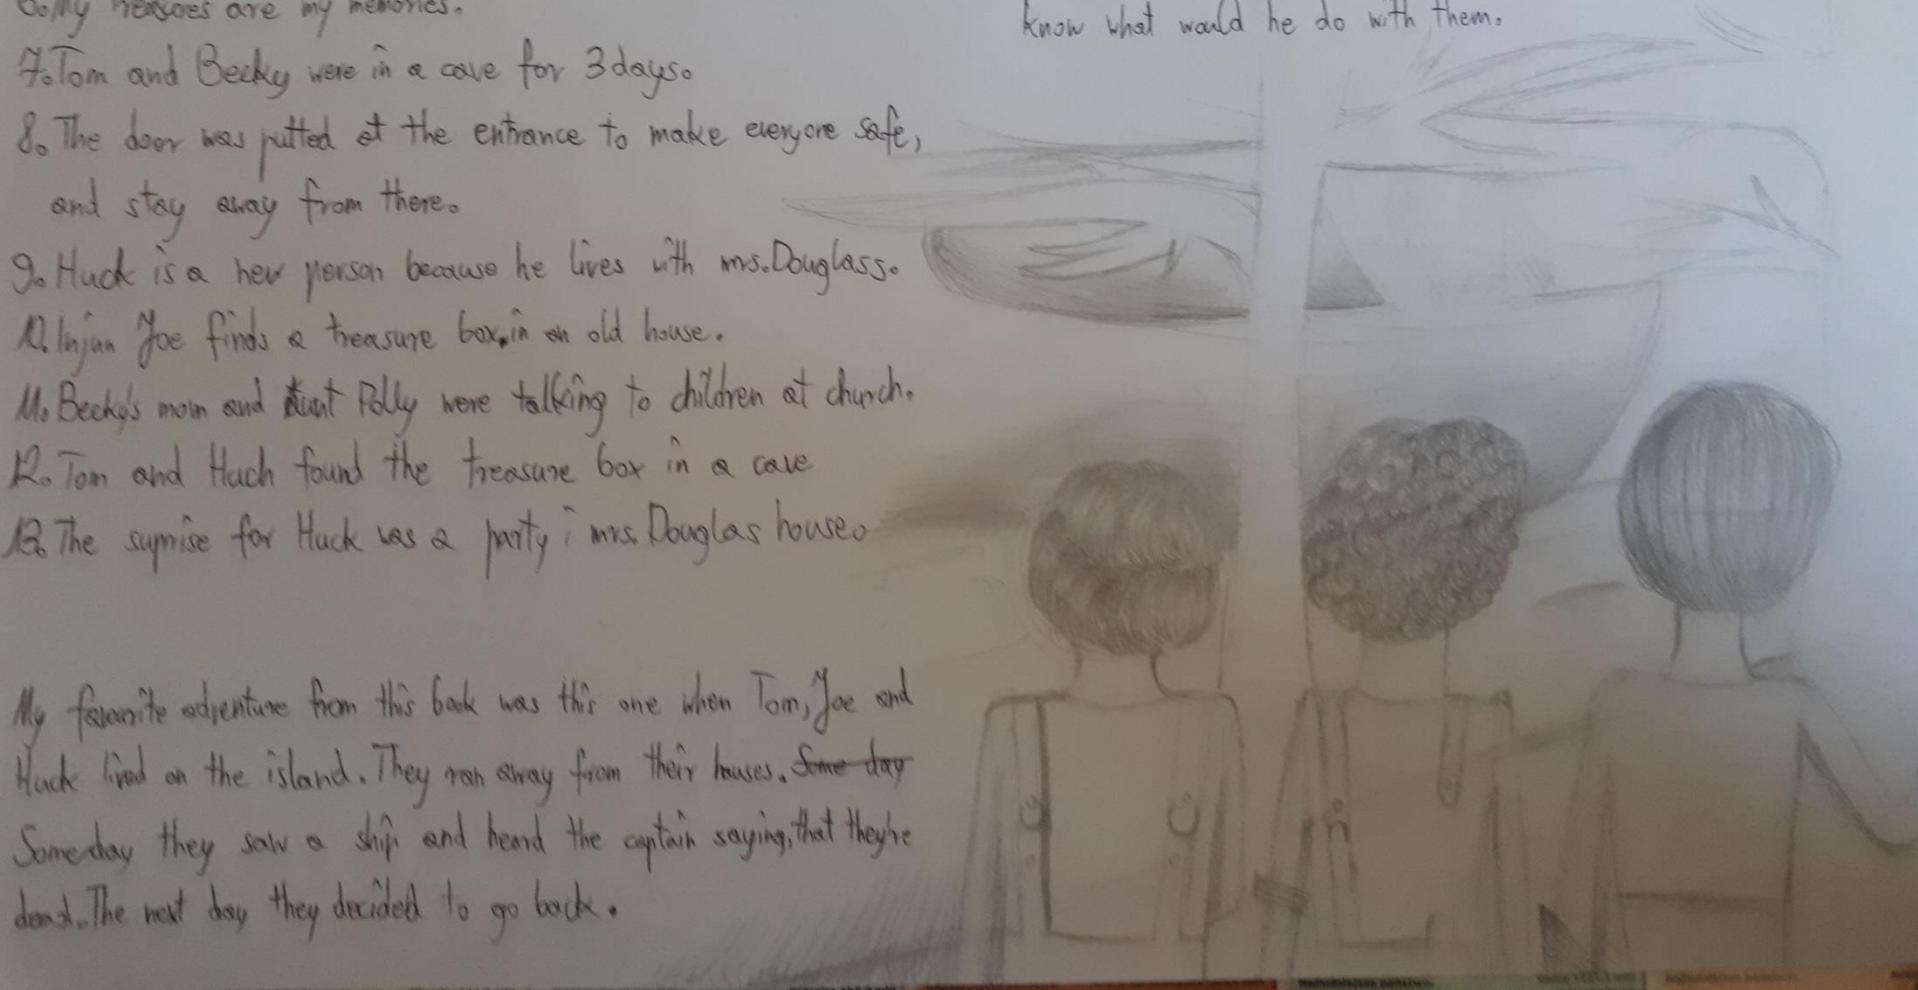

11. Becky's mom and Aunt Polly were talking to children at church.

12. Tom and Huck found the treasure box in a cave

13. The surprise for Huck was a party in Mrs. Douglas' house.

I think that Tom is a good and bad boy at a same time. He cares about his aunt, but sometimes he isn't kind to her. He helped Becky when they were in a cave.

If I was Huck I would save my money and start using them when I would be an adult. But but I'm not him so I don't know what would he do with them.

My favorite adventure from this book was this one when Tom, Joe and Huck lived on the island. They ran away from their houses. Some day Someday they saw a ship and heard the captain saying that they're dead. The next day they decided to go back.
